REFLECTIONS - 1980

1980 Raider Reflections

S. H. Rider High School

Vol. XIX

S. H. Rider High School is beginning a new decade. Rider has reflected on each of our lives, and our lives have reflected on others. We begin this new decade with memories of the past and hopes for the future. The word "reflection" has many meanings. We reflect in our studies, such as serious or careful thinking, and consideration is another meaning for reflecting. As we go through our lives, let us reflect not the bad elements, but the good for a promising tomorrow.

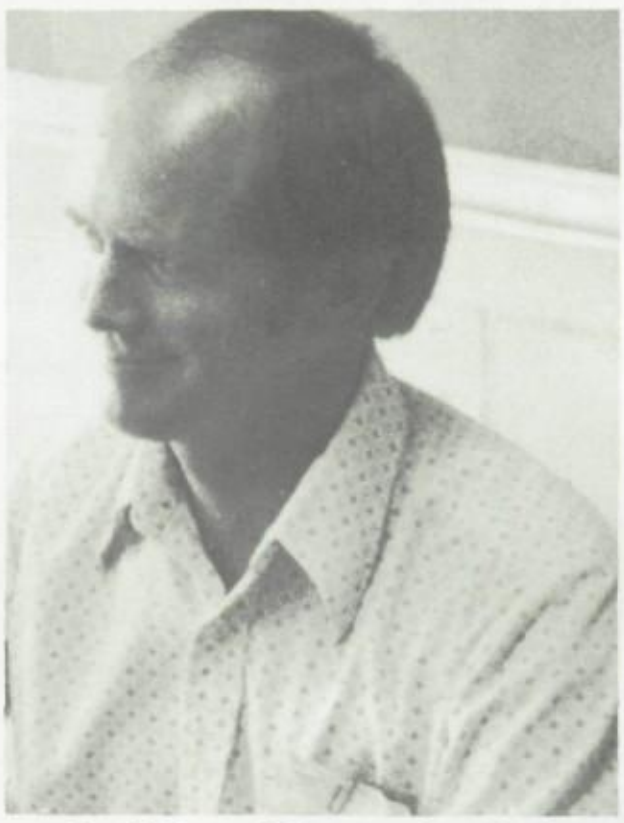
Faculty

No bubble is so iridescent or floats longer than that blown by the successful teacher. — From "Life of Sir William Osler" by Harvey Cushing, Vol. 1, Chap. 6.

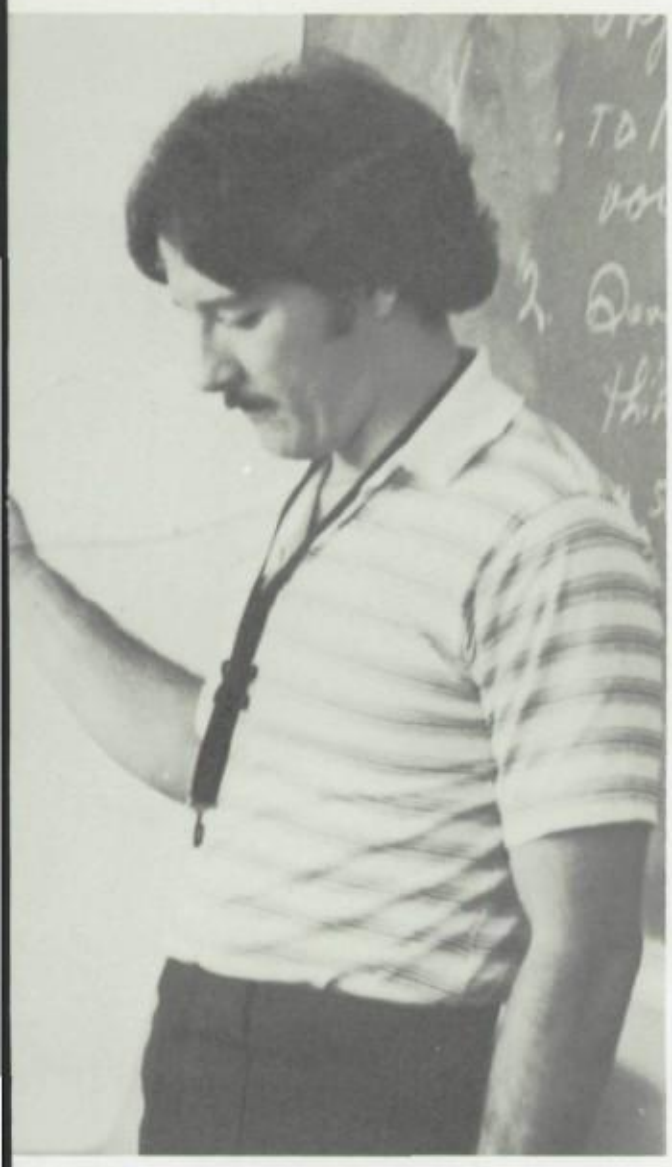
Coach Don Hartman is involved at football game.

A professor can never better distinguish himself in his work than by encouraging a clever pupil, for the true discoverers are among them, as comets amongst the stars. — Benjamin Daydon Jones.

Mrs. Celia J. Johnson helps with hall duty.



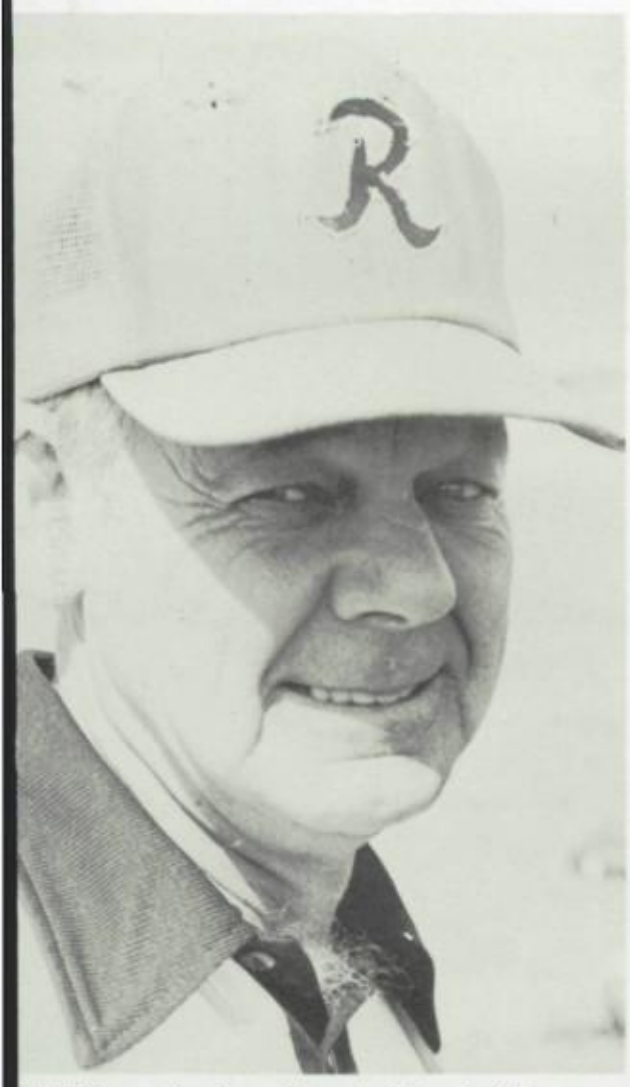
Coach Terry Richter teaches algebra.



Mr. Humphreys . . .?

Faculty

With influence from many sources, persons choose their lifestyle. Peers, parents, teachers and religious leaders reflect ideas, styles, philosophy, daily decisions and career choices for each person. Learning to enjoy life, within the limits of the law and without insult or injury to others, reflects the influence that gives back to each person the life that can be successful, profitable, happy and fulfilling. The faculty is a true reflection of the type of influence on most students' lives. Although many teachers believe they have little influence, most students reflect sometime in life on at least some small phrase, comment or philosophy of a former teacher.



h! What a feeling. Coach Morris Mercer.

"Mrs. Plummer, I lost my Mexican Jumping beans," Mrs. Francene Martin says.

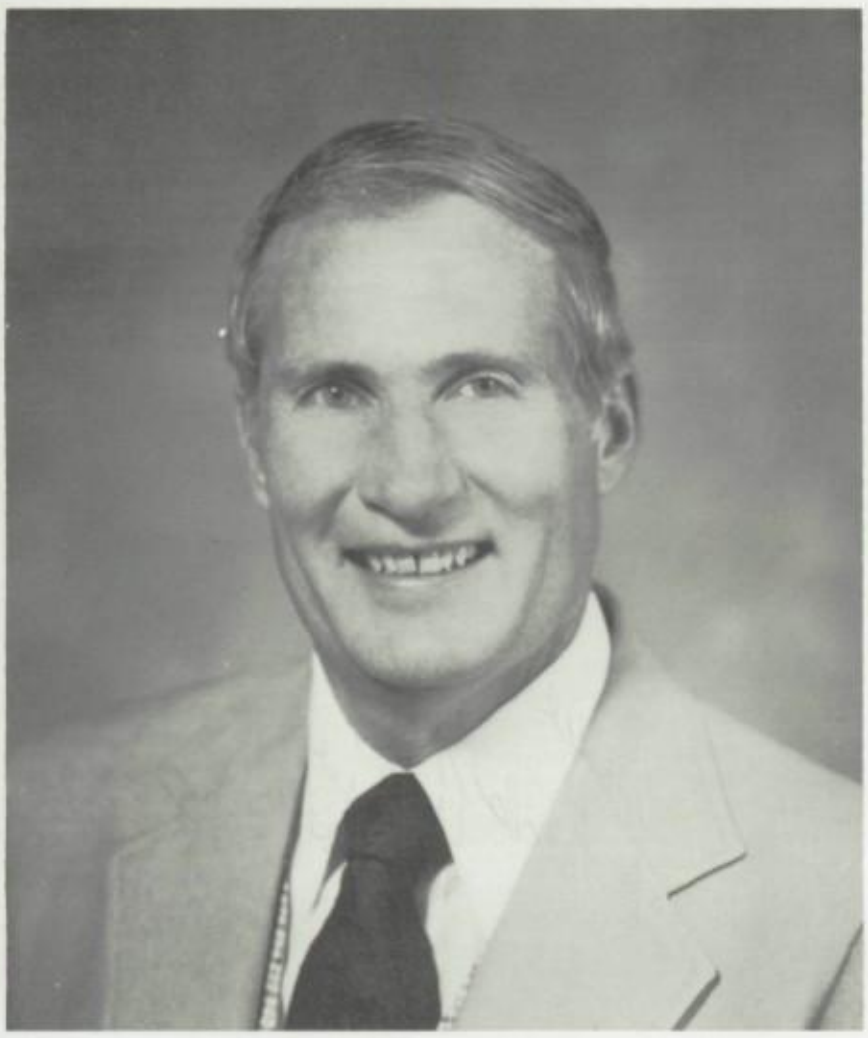
School leaders aid students



Mr. Newman Young

Working diligently and efficiently, school leaders ensure Rider High School functions smoothly.

Assisting the students and faculty of Rider High School is Mr. Newman Young, principal. Although the responsibilities of a principal are numerous, Mr. Young faces his duties with integrity.

Mr. Marshall Gearhart and Mr. Jack Robertson, vice-principals, work with students on a one-to-one basis and administer discipline.

Resuming the responsibility for programs such as school insurance, free lunches, text books and many others is Mr. Alfred Bacon, dean of pupil services.

Mrs. Celia Johnson is dean of girls. She also sends absentee referrals to the central office.

Mrs. Jackye Plummer, dean of students, coordinates school activities and guides the student body.

Mr. Marshall Gearhart surveys the halls.

The Beginning . . . filled with excitement, has a fear of the unknown. The fear soon faded and the excitement grew as each year passed, and our Raider Pride grew as well. We have made friends we shall keep forever and some we will never see again. Yet, we will always treasure our memories we hold and cherish our times together.

Reflections as Freshmen: *The first day . . . being scared and getting lost . . . singing the fight song and Alma Mater at orientation . . . sign-making parties and gym decorations . . . excitement of our first Roundup Week . . . Rustler football games . . . Raiders beating the Coyotes 14-7 . . . our first class dance . . . ending the Bobcat and McNiel rivalry and becoming Raiders.*

Reflections as Sophomores: *Becoming a part of Rider . . . joining clubs . . . Tri-Hi-Y initiation . . . finally getting our driver's license . . . dragging Kemp . . . sitting on the west side of the gym . . . our class dance . . . Rangler try-outs . . . Bandit games . . . beating the Coyotes 14-13 . . . first scholastic award tests . . . applying for Goalpost . . . our last few days being lower classmen.*

Reflections as Juniors: *Finally upperclassmen . . . receiving our class rings . . . term themes . . . our first class breakfast . . . becoming officers in organizations . . . Mum Day . . . victory over the Coyotes 12-0 . . . applying for Raider Crew . . . the unforgettable Terrible Tuesday . . . cheerleader tryouts on the lawn . . . attending school one-half day . . . sharing our school with McNiel students . . . those last few days being the juniors.*

Reflections as Seniors: *Our year, being the leaders instead of the followers . . . receiving our class pins . . . nominating Mr. and Miss Raider . . . The Gold Rush Crush . . . pep rallies in the old gym . . . our final Coyote Week, . . . applying for college . . . ACT and SAT test . . . the senior play . . . ordering graduation announcements . . . caps and gowns . . . graduation parties . . . basketball games away from the field house . . . a new gym floor . . . senior banquet and senior night . . . frightened of the future and pretending not to be. Saying goodbye to "friends and memories cherished greatly senior class of 1980."*

Our time at Rider has come to an end. For four years we have shared our hours, days and hopes. We will take with us all that we have gained; experience, knowledge and friendships. May 28, when the diplomas are received, 1980 will mark a beginning and an end. We will leave as we arrived, excited, yet full of fear. We will begin a new stage in our lives as we meet the many challenges which are in the future. Now is the time to say goodbye, may God be with us as we walk on separate paths of life. We will hold these memories close to our hearts and cherish our years at Rider forever.

Reflections of our years at Rider

Winning, or acquiring an honor in a certain event or activity, is exciting for that person, group or team. To be chosen as cheerleader, a member of Raider Crew, National Honor Society, DAR Good Citizen, winning a scholastic award and many other honors is a rewarding experience. Being chosen for an honor or to be named a member of an honor group, a student shows qualities of leadership in that function or activity.

Cheerleaders Promote Spirit

The cheerleaders contributed many hours of hard work and dedication to instill school spirit throughout the year.

During the hot summer, they attended a training camp. They were taught new cheers. They received the Spirit Stick three days in a row.

They had two-a-day practices to get the routine right.

The cheerleaders are honorary members of Goalpost Decorators and are members of Fellowship of Christian Athletes. They make name tags for all athletic participants.

The cheerleaders' sponsor is Mrs. Carol Dollar.

Raider Crew expresses spirit

The Raider Crew expresses its spirit in many activities throughout the year. The original "We are the Raiders" banner that was torn in the April 10 tornado was replaced by the Raider Crew. The group also adds life and enthusiasm at football games.

"We do creative writing with our bodies," said Joel Richie. Body writing is the act of spelling out with their bodies "victory" in the song "Horse" and "Roho" when the cheerleaders and students shout out the letters.

The Raider Crew also created an over-size paper maché "no. 1" hand sign which is present at all football games to express the rank of a Raider.

The first Raider Crew was formed in 1974-75 to take the place of male cheerleaders. The purpose of the Raider Crew was and still is to promote spirit at pep rallies and games.

The first year the group was organized, it consisted of onl 12 members and one sponsor, Mr. John Seddon.

The 1975-76 Raider Crew was sponsored by Mrs. Jacky Plummer. With her busy schedule, she was able to sponsor only one year.

From 1976-79, the Raider Crew has become a traditio and it was not unfamiliar to see the group carrying the banne "We are the Raiders." During these three years, Mr. Tim Clip son was the sponsor.

This year the Raider Crew has grown to 20 members, and is sponsored by Sgt. Roy Johnston.

Captain of the Crew is Joel Richie, and lieutenants a Mike Byars and John Rugeley.

Scholastic Award Winners Chosen

Thirty students from Rider won Scholastic Awards. Ten students were chosen from each class.

Students must take the Iowa Test of Educational Development, and they must not have had a C on their quarter grade records since attending high school.

Students receive their choice of a sweater, jacket or blanket with a letter on it.

The test was given Dec. 11 in the library. The test consisted of mathematics, language arts, science and social studies.

Third Year Winners: Front Row: Daniel Sodders, Mike Byars, Back Row: Sam Kenshalo, Rick Johnson.

Seniors: Front Row: Pang Chen, Mark Barber, Pat Olive, Kha Nguyen, Cindy Porter Back Row: Sam Kenshalo, Daniel Sodders, R Johnson, Mike Byars.

NHS honors 92 students

National Honor Society is an organization of high school honor students. Seniors who have maintained a 3.2 grade point average and juniors who have maintained a 3.7 grade point average qualify for nomination. From the list of nominations, the faculty votes on the personal character, scholarship and citizenship of each individual.

The group met once a month during the year. They wra ped apples for a football game, had a Christmas party with three high school chapters in town and had a banquet at end of the year.

DAR reflects good citizen

Amy McCracken was chosen as this year's DAR Good Citizen by the Senior Class and faculty. The Major Francis Grice Chapter of the Patriotic Society of DAR sponsors this contest each year. Amy was chosen on the basis of service, leadership, dependability and patriotism. The runners up for the award were Jeff McCracken and John Rugeley.

Ten students chosen for Quill and Scroll

Karen Goyen works on the yearbook.

Ten members of the newspaper and yearbook staffs were chosen members of Quill and Scroll, an international honorary society for high school journalism students.

A journalism student must be in the top one-third of his class and must have done outstanding work in some phase of journalism to be chosen for Quill and Scroll.

Several contests and scholastic opportunities are available to members during the year.

The first meeting of the group was in February to elect officers and to make plans for the remainder of the year.

Quill and Scroll members assist Mrs. Helen Johnon, sponsor, with plans for the spring Press Banquet and Quill and Scroll initiation to be in May.

Athletes receive Special awards

The Bill Stevens Award is given to any athlete who displays sportsmanship, dedication, hard work, loyalty and the desire to win. Bill Stevens was a student at Rider and wanted the award to go to an outstanding athlete. The coaches pick the recipient of the award. This year the award went to Mark Dawson and Shane Landry. Jay Huffer was also named for the award post-humously.

Mark Dawson and Shane Landry received the Bill Stevens Award at the Sports Banqu Dec. 13.

Through participation in organizations, students can enjoy extracurricular activities and experience the excitement and challenge of competition. Whether it's learning a language or trade, participating in sports activities, or making the band or choir programs, students strive for a unity in that group. They may later reflect on the good times that group had.

A Cap harmonizes for successful year

A cappella choir is a group of 81 juniors and seniors, directed by Mr. Donald B. Cowan. The choir not only strives to be good musically, but tries to be united as well. The devoted choir spreads joy to its many listeners many times throughout the year.

A cappella choir is well known throughout the United States and Mexico. It has performed in Cathedrals, Convention Centers, at the Alamo and many other places. The choir was televised on channels 8 and 13 in Mexico. It performs each year at civic clubs, schools, hospitals, conventions, churches and rest homes. The choir has recorded 18 albums and competes in U.I.L. contests each year. It was responsible for inventing the famous "Gold Rush Crush Cloth."

A cappella choir had a very successful Christmas season; even though the schedule was quite tiring at times, in the end it was very rewarding. The work did not end with the Christmas season. The choir continued to prepare for contests and a tour.

The choir boarded a jet and flew to Winnipeg, Canada singing great concerts under the auspices of the Manitoba Ministry of Cultural Affairs. The choir then traveled to Moorehead Minn., Mr. Cowan's home town, the home of the Concordia College Choir, where it was honored to have Dr. Paul Christiansen clinic the choir. The group then boarded a plane to Wichita Falls after a successful four and one-half day tour.

The choir officers are Dana Emberton, president; Jeff McCracken, vice president; and Senecia Ankrom, secretary.

The choir performed at many other functions, hosted the Concordia College Choir and planned its annual spring concert. The choir had to overcome many obstacles, including the April 10 tornado and the loss of two choir members, Lisa Haggard and Jay Huffer. When the final chord is sounded for the 1979-1980 a cappella, at graduation, a feeling of sadness and fond memories will be present.

Agriculture reaps good year

FFA is an organization of many students interested in farming. Advanced students of FFA are involved in work programs and raising animals.

The group raised money by selling 635 turkeys and 23 tons of fruit. The money was used to send students the various showings and to the National Convention. They also raised $772.50 for the Shane Landry Fund.

Initiation for members was in December. They received the Green Hand Degree.

FFA members entered the leadership contest; Junior Senior chapter, and conducted farm radio skills and extemporaneous speaking.

They participated in the Dallas, Fort Worth, Houston and County District beef and stock shows. The group also participated in the district banquet where they named the chapter sweetheart, Stacy McBride.

FFA planned other activities such as their dance in Midwestern State University Ballroom. They also judged teams in the spring livestock judging.

The Parent-Member Awards Banquet ended the year for the group.

Stage Band jazzes it up

The Rider Stage Band, directed by Mr. Mike Humphreys, pleased audiences of all ages this year. The group performed at banquets, concerts and music festivals. It entertained with Jazz, Blues and Rock music. Students on lunch break sometimes could be seen listening to the jazzy melodies of the band practicing fifth period. The group consists of trumpets, trombones and saxophones, accompanied by an electric bass, electric keyboard and drums. Hard work and practice can be detected in the refined sound.

Biology II studies life

Biology II students have been studying differnt forms of ife. They began the year gathering bugs for a collection. They ollected all types of bugs and mounted and identified each ne.

The class dissected cats as the next project. They received he cats from Carolina Biological Supply. Studying cats helped students understand how the human body functions.

Biology II is a masterwork course. Students must complete one year of Biology I and chemistry to be in Biology II.

When the group finished working on the cats, the class raised chickens. Biology II is taught by Mrs. Rose Carpenter.

Yearbook staff reflects memories

The yearbook staff began work on the yearbook by attending a workshop at Midwestern State University the first week in June. Many hours were spent on developing the theme, "Reflections," and writing copy. The staff won first place in cover design at the workshop.

"At the beginning of the year, staff members worked as individuals, but by the time the final pages were turned in, they were working as a unit ," said Mimi Phillips, editor.

The staff stayed after school and occasionally worked on weekends. The work the staff did was not difficult, but it took much time, patience and footwork.

The staff took time out to sponsor the Beauty Presentation and Class Favorite Revealing Dance. Proceeds from the dance went to the Shane Landry Fund.

The staff had many memorable occasions. The first party was the first week of school in September at the home of Mrs. Helen Johnson, sponsor. The staff not only had a fun time, but discussed many ideas for the yearbook.

The group planned a Christmas Banquet and party with members of the Roundup newspaper staff and Journalism I students at the Wichita Falls Activity Center.

The most memorable time of the year came when the staff finally met the last deadline, Feb. 22. The group celebrated this event with a dinner at the home of Mrs. Johnson.

This did not mark the end of the work, because getting ready for distribution of the yearbook took many hours of planning.

The staff joined the Roundup staff for the Press Banquet and Quill and Scroll initiation in May.

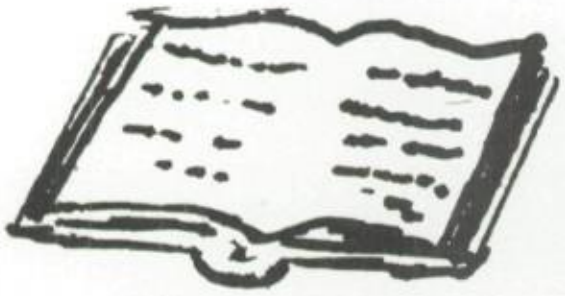
Christian Athletes enjoy fellowship



The Fellowship of Christian Athletes, under the direction of Coaches Terry Richter, Garry Guffey and Vaughn Coffman met every Monday evening, and through discussion and study aids grew to know more about God and the Bible.

FCA members had several money-making projects to send members to a spring retreat. Some of the members plan to attend a national FCA Conference this summer.

"FCA has proved to be a very worthwhile organization in Rider," said Jeff McCracken.

French Club gains knowledge

The French Club, under the direction of Mrs. Pat Hill, is designed for students to learn and experience cultural and lingual knowledge of France. Each year they have a party to welcome new members and to reunite the old. Through learning and insights of French culture, the French Club planned an annual Reveillon, or Christmas party. The activities included a caroling at the State Hospital and cooking and eating many French delicacies.

In the spring, the French Club members attended a French Symposium at Midwestern State University in which they compete with area schools in a variety of French-related activities. Other activities include attending ballets, celebrating French holidays and seeing French films. A picnic was planned at the end of the year to reflect on the good times and knowledge acquired throughout the past year.

FHA has impact on community

Members of Future Homemakers of America emphasize the importance of developing skills to enrich home and family life. These skills include cooking, sewing and home management.

Vocational Homemaking specializes in personal development of marriage and family life. Child Development teaches students to care for children from conception to school age. Home Management teaches the best way to use time, money and energy in the home.

FHA helps students to relate members' talents and services to the community. The group dressed 36 of 300 dolls that the Salvation Army bought and distributed at Christmas for needy children.

FHA had a Valentine Party for the Children's Ward at the State Hospital. They also had a Valentine Party at the McCutchen Day Care Center.

The group attended the Area Meeting in Abilene and two girls attend the State Meeting in Houston.

Goalpost helps build school spirit

"Being a Goalpost Decorator is a great honor," said Wynn Gibson.

Fifty-four girls devote many hours and much money to help build school spirit among the athletes.

During football season, these girls decorate the main hall, the school and stadium locker rooms.

On out-of-town games, they provide sacks of treats for the bus, and make special signs to boost Raider spirit.

Before district games begin, each girl makes a sign that reads, "Home of Raider" with his name and number on it and puts it in his front yard.

For Coyote Week, each girl chooses a player for that week. She is responsible for decorating her player's room, bringing treats to his homeroom and to his home and backing him a the way.

To conclude the week, a special program at gym decora tions includes "The Happening," a ceremony with the footba players and coaches on the gym floor with the lights ou Many students shine flashlights on the players while th coaches and some football players give talks and prayers fo the game.

A Special group of girls also make the run-through sign each week for the games.

Goalpost activities do not end after football season. Thes activities continue throughout the year for other Varsit sports.

Industrial Arts Club supports America

Industrial Arts Club sponsored "Support America Day," Dec. 21, 1979, proclaimed by Mayor Kenneth Hill of Wichita Falls. This project was a result of students wanting to support America because of the 50 American hostages held in the American Embassy in Tehran, Iran since Nov. 4.

The student body showed patriotism and loyalty to the government by wearing T-shirts or arm bands with slogans reading "I'm backing America" and "All the way with the U.S.A." The club members did free silk screening of these slogans on T-shirts and arm bands.

The club attended a State Convention in Waco and a National Convention in Gatlandburg, Pa. They helped with the Special Olympics at Sheppard Air Force Base and the Easter Seals Telethon. The club is sponsored by Mr. Glen Wood.

JROTC instills leadership principles

JROTC's main objective is leadership. This includes learning good citizenship, self-discipline, integrity, responsibility and the ability to communicate effectively.

Students taking this course have no obligation for future military service. JROTC is an elective course, and students taking this course receive their physical education and health credits.

First-year students are taught map reading, history of ROTC, hunting safety and receive their health credits.

Second and third-year students begin to develop leadership principles. They are taken on a two-day survival course in which they go canoeing.

Fourth-year students receive an advanced correspondence course in communications. JROTC is taught by Col. Houston Hill and Sgt. Roy Johnston.

Junior Historians study industry

Junior Historians is an organization of students interested in historical and cultural societies. This year they studied Wichita Falls industry.

They took field trips to Sprague Electric and PPG Industries. Sprague manufactures electronic compacitors and PPG produces glass.

The group toured these plants and learned about the operation, financing, production and public relations.

Mrs. Mary A. Golus, vocational counselor, often accompanied the Junior Historians on field trips.

Junior Historians celebrated the Christmas season with a party in the home of Mrs. Crystal Flatt, sponsor.

Key Club provides service to community

The Key Club is a service organization of young men, sponsored by Kiwanis Club International.

During the week of Nov. 12-16, Key Club Week, club members conducted food drives for Thanksgiving. The week before the Christmas holidays began, the club sold Christmas carols to students who wanted carols sung to their friends during first period.

These young men helped prepare the Fantasy of Lights display on Midwestern State University campus.

The Club visited rest homes and places for the handicapped. They co-sponsored the Special Olympics for the handicapped, with Kiwanis Club at Sheppard Air Force Base.

During the year the club attends a convention and participates in many seminars. A banquet is usually planned at the end of the year.

A new sponsor, Coach Vaughn Coffman, took the place of Mr. Tim Clipson.

Mu Alpha Theta probes math

Mu Alpha Theta is a honorary high school mathematics club. The club meets once a month to discuss math-oriented problems. Guest speakers discussed certain math fields at some meetings.

The club sold daisies as fund-raising project during Round-Up Week. They planned a banquet at the Activity Center and a Christmas Party followed, Dec. 14.

The officers attended a Regional Convention in Norman, Okla., and several members attended a District Convention in the North Garland area. The State Convention was in San Antonio.

N.F.L. practices public speaking

The National Forensic League is an organization of speech students learning to become organized, articulate speakers.

After many hours of practicing and preparation, members compete in tournaments throughout Texas. Among events are extemporaneous speaking, oratory speaking, impromptu speaking, poetry and prose, debate and pantomime.

Members of NFL must be aware of current events and the changing society in which we live. Topics of public speaking events often include political, social and economic issues.

"These students have a desire to work and achieve," said Mrs. Joan Jones, sponsor.

Number Sense is an organization of math students interested in competing in UIL math contests on the district, regional and state levels.

Without use of calculators or scratch paper, members are given an 80-question test and have 10 minutes to work on it.

Although Number Sense members do not meet regularly, each person works individually on improving his accuracy and speed of solving problems.

"This is the first year the Math Team has been funded by the school system," said Miss Tillie Himstedt, sponsor of this award-winning group.

The Math Team, unique at Rider, has been an active organization for three years, but due to the funds given by the school system this year, members have been able to participate in more contests and tournaments.

The team won first place at the Richardson Math Tournament, Nov. 24 and tied for second place at the San Antonio Alamo Heights Math Tournament, Nov. 17.

Members practice individually and together Wednesdays after school. Among the advance subjects they study are algebra, geometry, trigonometry, elementary analysis and calculus.

"A great deal of enthusiasm, determination and ability are responsible for the Math Team's success this year," said Miss Himstedt.

Orchestra strives for musicianship

The orchestra, under the direction of Mr. Richard Affannato, works toward one main goal; that goal is to bring out the best in one's instrumental ability. During the school year, the orchestra attended and participated in many competitive concerts. The group played in Pops Concert, Region and District Concerts, Christmas Concerts, and All-State Concer Students also participated in UIL concerts. The orchestra h a successful year. The orchestra worked towards the best p formance possible through self-discipline and musicianship.

Photography Club expands techniques

The Photography Club meets Tuesday afternoon to learn and improve techniques of exposing film and developing film and printing pictures.

In addition to reviewing different types of film, cameras and printing paper, the club is involved in various aspects of photography. The students worked on a special project including various types of images that were placed on display in the library.

Many members are interested in becoming photographers for the school newspaper or the yearbook.

Journalists find reporting a challenge

ROUNDUP

Kelly Howard, editor; Shannon Ford, managing editor.

Journalists have a responsibility to report news and to try to understand events around the world as they occur.

Roundup staff members realized their responsibility in balancing the news for many school organizations, writing opinions about various issues in editorials and spicing up the coverage with an occasional feature story.

The staff did more than report news and write other copy. Advertisers sold ads that paid for the publication, and photographers took pictures.

The type is set with an electronic computer, developed, copyread, corrected and "pasted up" on layout "dummies."

The layout pages are taken to the printer after school, picked up the same evening and delivered by staff members the following morning to all homerooms.

Ranglers promote school spirit

"The Ranglers have worked hard all year to build spirit," said Mrs. Mary Ann Marion, director of the group.

The girls planned sign-making parties weekly during football season, performed at pep rallies and football games and attended all gym decorations. The Ranglers also sponsored the annual Coyote Cookout, Nov. 15, in the school cafeteria.

The Ranglers sacrificed many of their summer mornings to perfect routines. Many of the girls attended special schools and workshops.

In addition to performing at football games and pep rallies, the Ranglers participated in the Oil Bowl Parade, Mexican Day Parade and the Christmas Parade.

Rodeo Club rides again

The Rodeo Club, under the sponsorship of Mr. Tommy Stevens and Mr. James M. Campbell, is a dedicated organization of students.

Inactive and Active are the two major divisions that make up the club. The Inactive group participates in everything except rodeos. The Active group participates by riding in rodeos and representing Rider.

The club is successful because of the dedication contributed by all members.

Student Council works for school

Student Council is an elected group of students who make decisions on many student and school activities.

The Council is in charge of all class elections and vote counting for each. They also sponsor all-school dances. The blood drive for Martin Hobbs, a student at Rider, was sponsored by the Council.

In February members of the group attended a State Con vention in Austin. A School Beautification Week was planne for spring. For many students at Rider, Tech School is the channel that provides the knowledge, skills, and experience needed to advance directly from high school to a number of specialized jobs.

Many courses are offered at Carrigan Center such as Auto Body Repair, Automotive Mechanics, Cosmetology, Diesel Mechanics, and Drafting. Others include Electronics, Health Occupations, Machining Trades, Refrigeration and Air Conditioning, Vocational Office Education and Welding.

Courses offered at the Harrell Center are Building Maintenance Technology, Clothing Production, Fashion Merchandising, Food Production and Management.

Thespians active in theatre

The International Thespian Society is an honorary, educational rganization for high school students. Its aims are to establish and dvance standards of excellence in all phases of theatre arts and to reate an active and intelligent interest in the theatre.

Students enrolled in Drama classes are given an opportunity to arn membership in the society by participating in full-length and ne-act plays. That participation consists of acting jobs and ackstage work.

Students receive point credit for working on productions outside the school.

Members also have an opportunity to compete in speech tournaments in the areas of acting, poetry and prose reading.

This year the entry in UIL competition was "Louder, I Can't Hear You."

The troup assisted in the production of the senior play and also produced an "Evening of Theatre" in the spring. An annual awards and initiation banquet completed the year.

ICT opens doors for opportunity

Industrial Cooperative Training (ICT) is a program that trains students for future employment in the Industrial field.

ICT helps students find jobs in a field in which they are interested. Classroom instruction includes individual study of their field, human relations, taxes and on-the-job safety.

Students also participate in class fundraising projects. Second period students painted street addresses, and third period students sold firewood.

LaVere "Smilie" Burnett a new member to the Rider faculty instructed ICT students this year. His methods of teaching and his own experiences were responsible for an excellent ICT program.

Sports build great bodies and great minds. From the first grade, students are taught how to play sports, how to be good sports and how to care for one's body.

Either as an active participant or as a spectator, many people follow at least one sport through its season, taking special interest in favorite players or favorite teams.

Team sports teach students how to work well with other players while doing their best as individual players. Many sports, requiring only one person to compete with another, teaches the importance of working alone in one strong desire to win.

Whether a person chooses team sports or individual sports, he is taught cleanliness, good health rules, conduct, self-discipline, concern for others, how to be a winner and how to be a good loser.

Teachers, administrators, coaches and sponsors, all contribute to the teaching of fair play, compassion for fellow players and the desire to show spirit when necessary.

Winning is not always the most important element of playing a game, however. Even when losing, one can "win" with the exercise for good health.

Sports help to educate the whole student. Many years after graduation, students will hear the roar of the crowd, the yells ringing through the air at pep rallies and games, and then they will reflect on the pride of having been a true Raider and a Raider booster.

Learning to enjoy and to appreciate sports helps develop great physical fitness and mental ability to carry one to great success in life.

Raiders overcome early odds

The Raiders have truly overcome this year, ending runner-up in District with a 4-1 record. ROHO was 6-4 for the year. The odds seemed bad for the Raiders at the beginning of the season, losing Jay Huffer, who was killed in the April 10 tornado, and also losing Shane Landry who was paralyzed from a neck injury in a scrimmage game against Vernon.

"Losing Jay Huffer in the tornado and the injury to Shane Landry hurt every member of the squad and coaching staff," said Coach Mercer.

Spring training was curtailed due to the April 10 tornado.

The Raiders were smaller in size and number this year than they have been in the past.

Team members had more togetherness and confidence in each other, perhaps brought on by the disasters they shared.

Offensive back, Kenny Montgomery, received a knee injury early in the season, leaving him unable to complete the season, but tailback Troy Williams went on t become the city's leading rusher.

The Raiders beat Wichita Falls Hig School 7-3 this year, making it seven year in a row that the Raiders have beat the Coy otes.

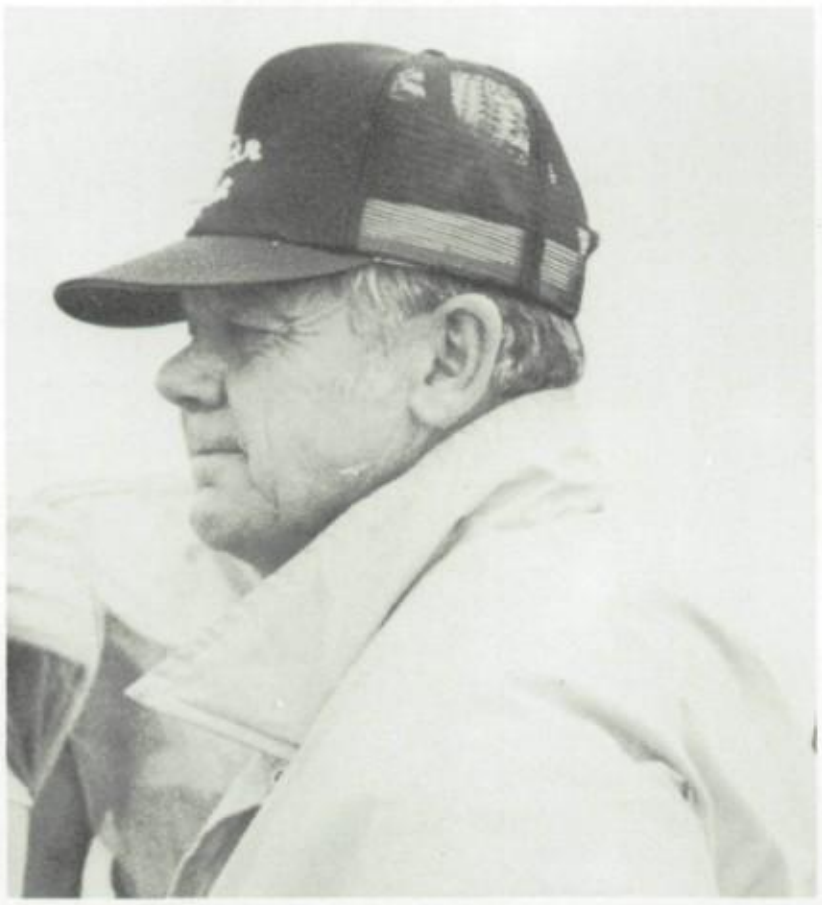
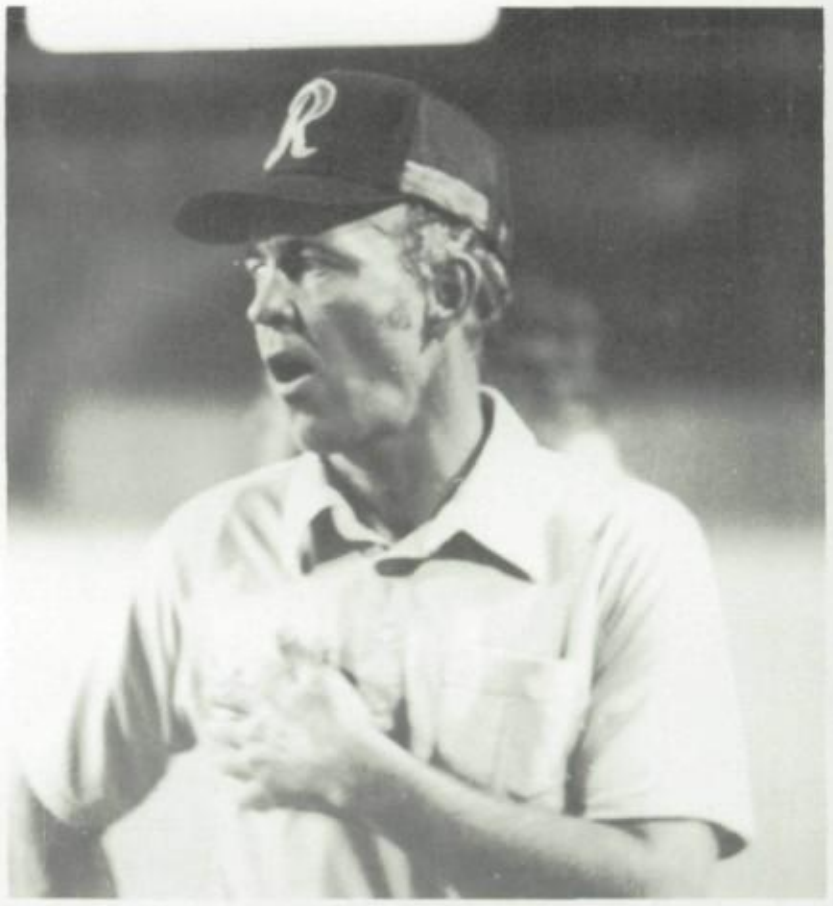
Coaches work toward victory



Head Coach Morris K. Mercer is in charge of the Raider's kicking game. He played quarterback at Weatherford High School, attended Weatherford Junior College and graduated from Hardin College with a Bachelor's degree in physical education. He received the Master's Degree at Midwestern State University. He has coached at Rider for 10 years. In his years of coaching, he has coached Don Williams, Vaughn Coffman, Gary Guffey and Jay Hill, also coaches at Rider.



Coach Donald L. Hartman coaches offensive backs, and in Coach Mercer's words is "probably the best defensive secondary coach there is." He played quarterback for Grand Prairie High School, Henderson College and attended East Texas State University. He has been coaching for 16 years, 13 of those years have been at Rider.

Coach David R. West coaches the offensive line, offensive linemen and works with quarterbacks and receivers. He played running back at Wichita Falls High School and played football at San Angelo and Trinity Universities. He has coached at Iowa Park, Barwise and here 10 years.

Coach Don P. Williams coordinates all defense and coaches the defensive force. He played football under the coaching of Coach Morris Mercer at Wichita Falls High School. He also played at Texarkana College. He has coached in Wichita Falls for 11 years and has coached at Rider nine years.

Raiders streak past Eagles 14-10

The Rider Raiders began the year with a 14-10 victory over he Abilene Eagles thanks to the fleet feet of Kenny Montgomery who brought the crowd to its feet in the first quarter when he raced for the first score of the year.

Dana Emberton kicked the extra point for a 7-0 Raider ead. The Eagles moved to the Raider 10 late in the second quarter. They had to settle for a field goal, making the score at half-time 7-3.

Montgomery scored a second touchdown early in the fourth quarter as he took a scene pass from quarterback John Duke and scampered 46 yards down the left side line for pay dirt. Emberton's kick made 14-3. Abilene narrowed the margin to 14-10 on a 92-yard punt return.

Plainsmen defense stops Raiders 5-0

The Raiders suffered their first defeat in the second game as e Lubbock Monterey Plainsmen prevailed 5-0. Monterey ove inside Rider's 10-yard line twice in the first half, but the ore at halftime ended 0-0.

Midway through the fourth quarter, the Plainsmen started a ive from Rider's 44-yard line and moved to the 10, but had settle with a 39-yard field goal a few plays later. On the aider's first play, after the kickoff, John Duke was sacked in e end-zone for a safety, ending the game 5-0.

Defense dogs Huskies 6-0

Rider's 6-0 win over Hirschi proved one thing, that statistics do not mean a thing. It is the score that counts.

ROHO doubled the Huskies in first downs, 16-8; quadrupled them in yards rushing, 230-55; and edged Hirschi in punting 40.4-38.5.

Rider could score only one touchdown though as they took the opening kick-off and drove 66 yards for the score eating up a little more than one-half of the first quarter clock.

Tailback Kenny Montgomery climaxed the 12-play drive with a one-yard dive for paydirt.

Raiders outdistanced by Bulldogs 21-0

The Altus Bulldogs erupted for 21 st half points and then stymied the ider offense for a 21-0 win. The Bull-dogs took the opening kickoff and drove 69 yards in 10 plays. The final play was a one-yard drive. On Altus' next possession, they scored their second touchdown from 17 yards out. They added their third touchdown in the first part of the second quarter. The Raiders' offense went scoreless as they went to the locker room trailing 21-0. The Raiders took the second half kick and marched 75 yards in 10 minutes to the Bulldog five. On fourth down and one, Troy came up short and Altus took over, but the ROHO defense stiffened and the game ended 21-0.

Gold Crush defeats Trojans 19-3

The Raider's Gold Crush defeated the Newman Smith Trojans 19-3 thanks to Troy Williams' running for 193 yards and two touchdowns.

ROHO took the opening kick-off and marched 80 yards for the touchdown. Williams went to final 32 steps for his first touchdown. The extra point failed and Rider led 6-0.

The score remained 6-3 until the fourth quarter when the Raiders capitalized on a Trojan fumble at the Smith seven.

On the first play Noel Spraggins took the pitch from quarterback John Duke and went in untouched for the score. Th PAT failed again as ROHO now led 12-3.

On the ensuing kick-off, Brad Gamble recovered a Smit fumble at the 23-yard line. Five plays later Williams score his second touchdown from two yards out. Dana Emberton kick made it 19-3.

The Raider defense held Smith to only 76 total yards for th entire game while Rider rolled up 377 yards.

Until Oct. 26, the Denton Broncos were undefeated. Then the Raiders stepped in. This victory was a turning point for ROHO, who were 2-0 in District action at this point.

The winning points came from the toe of Dana Emberton on a 19-yard field goal with six minutes and three seconds left in the third quarter. The Raiders took the opening kickoff from their own 41 and drove 58 yards in 14 plays, but fell one yard short of a touchdown.

Denton scored the first points of the game in the second quarter on a 35-yard run.

On a play with only 11 seconds left in the half, John Duke threw a short sideline pass to Craig Stevenson. Just as it looked as though Stevenson was bottled up by Denton Defenders, he pitched back to Williams, who raced down the right sideline for the touchdown. A pass play came up short for the point and Denton led 7-6 at the half.

After intermission, Rider moved to the Denton four after a fumble recovery, but had to settle for the eventual winning field goal.

Farmers dim District hopes 48-9

The Raiders had their hopes for District immed as they fell to the Lewisville armers, 48-9.

Troy Williams, with only 13 yards on even carries at the time, toted five times a 73-yard, 10-play drive that gave Rider s only touchdown with only eight minutes nd 43 seconds left in the game.

Williams dashed 25 and 20 yards, espectively, to set up Mark Dawson's vo-yard score.

The next time the Raiders had the ball, roy Williams carried for 25 yards and may ave had even more if the ball had not been rned over on an interception.

ROHO cages Lions, 29-14

The Raiders defeated the winless Carrollton Turner Lions, 29-14, making the Raiders 3-1 in District 6-AAAA play. Rider looked like a runaway winner in the first quarter. The Raiders marched to paydirt three times in less than six minutes. On their first possession, the Raiders drove 53 yards on seven plays with Troy Williams' 33-yard romp down the left sideline. Mark Dawson scored the six-pointer on a one-yard run up the middle, but a bobbled snap on the point after kept it 6-0.

After Turner fumbled deep in its own territory, Williams took the ball across from the one for a 12-0 lead.

The Lions were forced to punt on their next possession as a pas play from John Duke to Noel Spraggins for 22 yards and Duke ran across on the PAT to make it 20-0.

Turner equaled its entire output of the previous eight games b scoring two touchdowns in the second quarter. Three running back of the Raiders moved well against the Lions. Williams had 119 yard on 23 carries, Duke had 76 yards on 15 carries and Spraggins had 5 yards on eight carries.

Raiders make it seven in a ROWHO, 7-3

The Raiders conquered the Wichita Falls High School Coyotes, 7-3, making it seven years in a row that the Raiders have been victorious over their cross-town rivals. This game has been traditional and emotional game throughout Rider's history. The Raiders were predicted to come out on the losing end this year, but ROHO saw things differently. The Coyote's only points came when a 37-yard field goal split the uprights on the last play of the first half. The Raider's winning points came in the fourth quarter with a 14-yard touchdown pass from John Duke to Craig Stevenson. Duke's touchdown pass was set up when Tracy Truette blocked a punt at the Coyote 13 with six and one-half minutes left in the game. At this time, tension was really on the Raiders. Players on the sideline could be heard shouting "do it for Shane!"

Shane Landry, who was injured in a scrimmage game early in the fall, was given the game ball at the Sports Banquet.

Bandits train for future

The Junior Varsity Football Team ended its season with a 5-5 record with two forfeits. The Bandits dropped many close games. The Bandits began the season with a 7-6 loss at Iowa Park. The Bandits then suffered the second loss to Hirshi 7-0. The JV's first victory was a 28-20 stomping against Burkburnett. The second victory was 29-16 over Hirschi. The 2-0 shutout came when the Bandits defeated Altus. Losing to the Wichita Falls Rowdies 26-8, the Bandits then bounced bac with an outstanding victory over Mineral Wells 33-7. Har work and dedication holds a promise for the future. The Ban dits were directed by Coaches Jay Hill and Kenneth Bur roughs. This is Coach Burroughs' first year at coaching th team. The team worked hard to train for future games bu faced a difficult season.

Freshmen prove to be champions

The Rustlers ended an excellent year with a record of 9-1, winning City Championship.

The Freshmen proved they were capable athletes and worthy champions.

"I think this is a tribute to these youngsters who kept improving every game and did not give up when things were bad," said Coach Gary Guffey.

These young men kept working hard, despite the storm, friends being killed and the loss of Martin Hobb's ability to play because of illness. Coach Guffey and the team thought it fitting to dedicate the last game with Wichita Falls High School to Martin. The Rustlers defeated cross-town rivals, WFHS Pups 13-6, winning City Championship.

Becoming a Rustler is not an easy task. The Freshmen must leave their Junior High rivalries behind and look to the future. The team practices long hours, striving for perfection. Rustlers are a group that works together uniting as one team to be winners.

Basketball shows signs of improvement

The Varsity Boys Basketball Team, the Runnin' Raiders, showed great poise and stamina all season.

The Raider strategy of a hustling offensive and defensive game proved to be successful.

The Cinderella Team had a good pre-season record and entered District play with a win over Carrollton Smith. The team members proved they were contenders after beating Wichita Falls High School 50-38, tieing the Coyotes the first half of District.

The team gained more unity and kept improving to open the second half of District with a win over Newman Smith and continued its winning streak throughout the rest of the season.

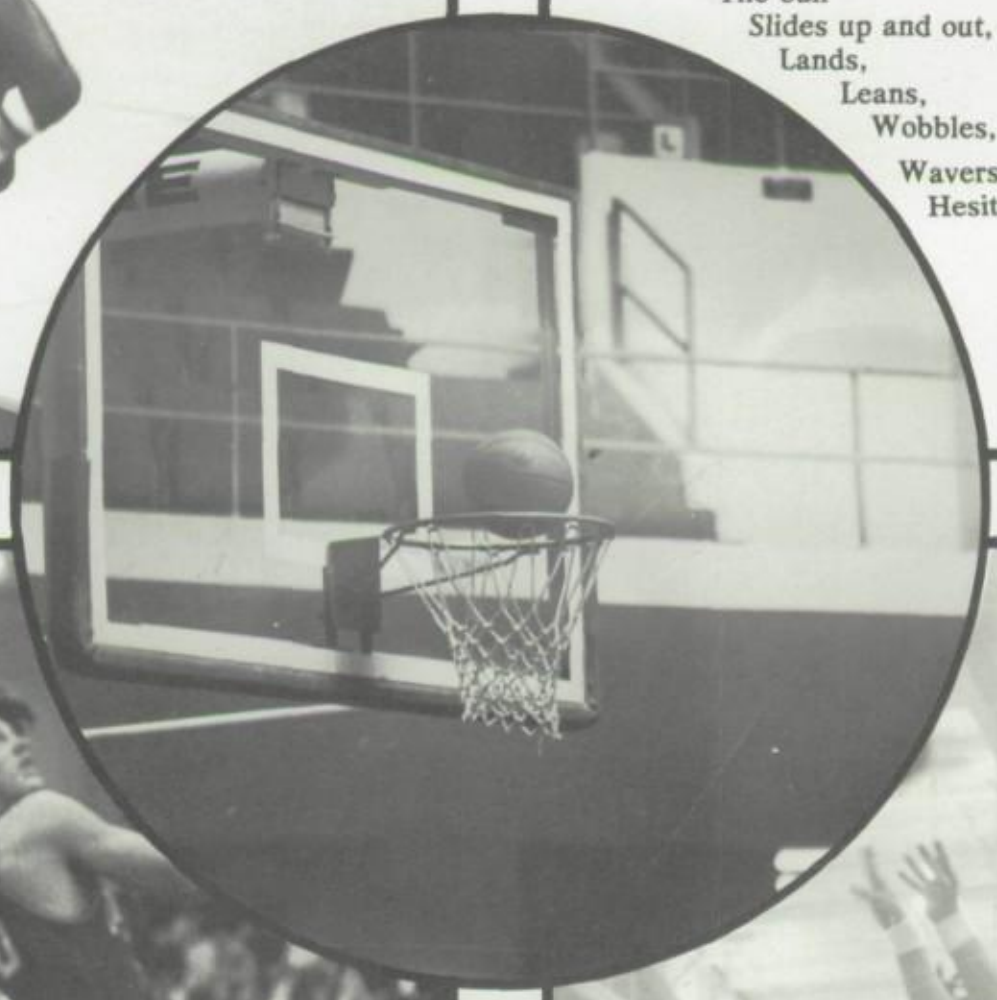
"Foul Shot"

With two 60's stuck on the scoreboard
And two seconds hanging on the clock,
The solemn boy in the center of eyes,
Squeezed by silence,
Seeks out the line with his feet,
Soothes his hands along his uniform,
Gently drums the ball against the floor,
Then measures the waiting net,
Raises the ball on his right hand,
Balances it with his left,
Calms it with fingertips,
Breathes,
Crouches,
Waits,
And then through a stretching of stillness,
Nudges it upward.
The ball
Slides up and out,
Lands,
Leans,
Wobbles,
Wavers,
Hesitates,
Exasperates,
Plays it coy
Until every face begs with
Unsounding screams,
And then
And then,



And then,

Right before ROAR-UP
Dives down and through.

Junior Varsity shows promise

The Junior Varsity Basketball Team put forth much effort this year by combining teamwork and skill. The team has shown a great amount of determination and endurance.

The team consisted of last year's freshmen and JV players.

The girls gained much experience through this year's games, and they have improved greatly.

Tennis is the game of 'love'

Coming from a strong year last year, the Tennis Team continued to show a winning spirit and a growing enthusiasm for the sport.

Under the coaching of Mr. Jerry Franklin, members practice during sixth period and after school daily. Workouts consist of warm-up, drill, practice matches and conditioning.

The return of several lettermen added experience to the team, increasing its power against their opponents. Returning lettermen were Julie Bachman, Cristi Gowan, Jeff McCracken, Kerry Keene, Keith Clark, Keith Stone, Susan Jeter, Caroline Looney and Teresa Waltko.

Golf tees off to good year

The Rider Golf Team, instructed by Coach Snyder, competed in many tournaments throughout the school year. Composed of 15 members, the Golf Team has only 4 lettermen; one senior Mark Barber; and 5 new members, Mats Bruce, Rusty Carpenter, Danny Shine, Todd Krueger and Susan Martin.

The boy's team competed Feb. 8-9 at the Wichita Falls Invitational and at Sweetwater.

The team also participated at Fort Worth, Ardmore, and Duncan. District competition was tough as the boy's competed at Lewisville, Denton, and here in Wichita Falls.

The girls team also competed March 10 at Denton, Ardmore, and Wichita Falls Invitationals. District began April 2 in Denton. The girls team has four members, senior Lynn LeBuss, junior Susan Lewis, sophomore Shellye Lovelace and Susan Martin.

Girls Track gains recognition

After practicing in various field events and long distance running for many long and frustrating hours, the Girls Track Team became a strong, powerful and dedicated group.

Under the leadership of Coach Frank Farnsworth, the girls participated in running events such as the 100, 200, 440, 880, mile run and relays. The field events participated in were the long jump, shot put, discus throw and hurdles. The Girls Track Team finished with another fine season.

Student Life is the time that students have to think, to talk and to share good times with friends. It is a time for holding part-time jobs in local supermarkets, fast food restaurants, department stores and other places of busi--department stores and other places of business.

It is a reflection of ones feelings and thoughts, whether he is away from school, in the halls between classes, going to movies, dragging Kemp or merely staying at home.

The casual, informal life reflects the trend of society. The carefree lifestyle reflects the influence of schools and homes. Interests, hobbies, careers and friends reflect family traditions and awareness of contemporary times.

This is a time for maturing and learning more about one's self, choosing careers, setting goals, preparing for college and life outside high school.

Life at Rider High School reflects special and memorable times.

Students make money

With the cost of living continually rising, more and more students are seeking employment. Money for recreation is the main reason for going to work. Also students need money to help pay for cars and gas.

Students with part-time jobs sometimes have a little trouble with homework. Most students either get out after fifth period or are in a work program in which they leave school after third period and also receive credits for working.

Part-time jobs range from selling in a department store to sacking at grocery stores, two of the most popular jobs. Working at fast-food restaurants is another popular job.

Even though students have little time, they still find enough time to work.

Night Life

The weekend is anticipated by almost everyone. The joys of being able to stay out late on Friday and sleep in on Saturday are great. Many activities include going to the show, going shopping, riding up and down Kemp and going on dates.

Many students go to concerts, either in Wichita Falls, or in Dallas. Disco music is still popular and students over the age of 18 go to the local discos.

People always find something to do at night and if anything new ever arrives, it is always found.

Carter considering draft registration

WASHINGTON (AP) — President Carter is considering a proposal that he ask Congress to authorize a peacetime registration of draft-age youths, administration sources said Tuesday.

The sources said they were uncertain who made the proposal but added that they believed it came from within the White House staff.

The sources, who asked not to be identified, also said they were uncertain whether Carter would accept the proposal and whether he would include such a request to Congress in his State of the Union address Wednesday night.

Gold prices around the world soared Thursday as traders worried by crises in Iran and Afghanistan shifted wealth from currencies to bullion. The price spiraled to $649.73 per ounce in Hong Kong before it fell back to $621 in New York.

The dollar was battered in foreign exchange trading in Asia and Europe before European central banks intervened to support the American currency. By the time trading ended in New York, the dollar was slightly higher against most other currencies.

"The world situation is very frightening to me. I feel like we, the United States, are a great big elephant walking a very high tight rope with Russia below trying to make us fall. If we fall, everyone will die."

By Alan Barnett

"Religiously, I think we are in the last days. There are many events predicted by the prophets long ago which are happening now. It is the time to start shaping up. It is a shame we have to live with this, but as long as man is ruler of the world, there will be a continuous period of bad times."

"I think that everyone is too free with all his money and materialistic possessions that no one ever stops to think about what he has and to be grateful he has money and materials. I also think those that have money should help the starving people in other countries."

"I think it is bad that everyone cannot get along with each other. If everyone would get along, people could help each other. All the rich people , that have money they will not use in a lifetime, should donate money to the starving children around the world. I think that if I had a chance to help people to talk

chance to help people, to talk with people and to be with people who need someone that cared, I would do so. People who are able to do these things, but do not, will be punished and they should know it."

"A memorable event in my senior year."

"Rider-Coyote Week has een the most memorable vent so far in my senior year. am a member of Goalpost ecorators which made Ri-er-Coyote Week even more eaningful because I really lt that I was doing some-ing for the Raiders and ost important of all, we beat e Coyotes."

"Repainting the Raider on e center of the gym floor as my greatest senior mem-y."

By Tracey Wyatt

I think my most memorable event has been being a cheer-leader for the Raiders. The Old High game made me realize no matter if we won or lost, we were still Raiders in our heart and we would always be number one. The spirit slacked off during the year because of various rea-sons, but when Coyote Week came around, everyone was involved, and we really showed our Raider Pride. We were picked to lose because of our size, but we proved if it is in one's heart and mind, anything can be done. We were losing at the first half of the game, but then after half-time, the guys pulled themselves together and won the game, making it seven in a "Rowho." Most important-ly, we were united."

By Karen Booth

"The memorable event in my senior year has not ar-rived yet; that happens to be graduation. Being in a cap-pella during the Christmas season was beautiful, be-cause there will not be a Christmas season like that one again. The oneness and closeness we feel at our last concert is fantastic. It was worth it even more to see the smile on Mr. Cowan's face. I am proud to be a Raider and in a way, I did not want to see myself as a senior."

Raiders are at the beginning of a new decade, rebuilding not only school and homes, but lives as well. Memories reflect the individual and unique way of life, and life expresses individual interests and tastes with memories of the past as a Raider and dreams for the future as an individual.

Most people enjoy the glow of warm friendships, the joy of shared good times and personal feelings that reflect a love of humanity that grows with each passing year. One's life shines and sparkles with a rich heritage and experience of winning or losing.

Tomorrow's friends reflect another world, another time, a way of preserving the heritage of yesterday while waiting what tomorrow brings.

Leaving the security of Rider High School can be sad for some seniors, but also provides anticipation of full-time employment, beginning a career, or furthering one's education.

This is a time for saying good-byes to friends that may never be seen again, and a time for building new friendships and looking ahead to the future while reflecting on the years spent at Rider, having good times.

Memories light the corners of my mind misty water colored memories of the way we were. Scattered pictures of the smiles we left behind, smiles we gave to one another for the way we were. So it's the laughter we will remember whenever we remember the way we were.

Observed for Someone Special

say, but I just really can't put it into words. You know how special you'll always be to me without me even saying that. I really don't know what I would have done if I hadn't known you would be there when I really needed someone. We always aim to be able to come right out and talk to each other about anything, anytime. That always meant so much to me. I hope in the future we will always be as close. The two of three nites we did have, I'll never forget. Especially the party. (birthday) It seems as if whenever I was depressed and felt like digging holes and crawling in, you always seem to put a smile on my face. Well, even though I'm engaged now and all, you'll still get a very special place in my heart.

Love ya always,

Julie Clarkson

P.S. Sorry it took so long to get this back to ya.

Dodie, Have a nice Xmas and Happy New Year. Hope we get together more often. Thanks for everything. Love ya always. Julie Clarkson

To My Dearest Todd,

You have been my dearest and closest friend and brother. If it wasn't for your shoulder to lean on and your listening ear, I don't know how I would of made it with ~~out God~~ through this year. I'm going to miss you so much when you go to Houston, but just remember your memories and all the fun times we had will always hold a special place in my heart. What more can I say but "I LOVE YOU" and as long as I live I'll always love you. If you have any problems or hard times in Houston, just remember my phone still works. I know you're in a hurry so I'm going to kind of rush this, but ~~those~~ it is so hard to put my feelings I have for you into words. So I'll just kind of cut this short.

I Love you,
Forever,
Ruth Flood

Dear Todd,

Thanks for reserving me a page. You've been the best Big Brother I've ever had. You always willing to listen to my problems no matter what time of the morning it is. I really appreciate that. Sometimes I wonder why you haven't just told me to get the hell out of your life. I know I've been a pain and if I had been you, I would have probably told me to get lost. I wish I could go back and change so many things that I have done and said to you. But I was a fool and I got what a fool deserves. But thats ok. All I ever wanted was for you to be happy. Francine's a wonderful girl and I wish you all the luck in the world with her. It's hard to believe that we're almost Seniors. I really wish I had met you alot sooner. I also wish you wouldn't go to Houston. I know that I don't see you very much anymore but I'm still gonna miss you very much. Don't forget your promise to me to see me when you get back. Ok? Take care Todd, and don't ever forget the times that we've had. Even though some of them weren't too exciting, I'll still always remember them and I want you to do the same. I hope you get things all straight in your life. Maybe when your in Houston you'll have time to think. But don't think so much that you become distant friends with me. I hope we will always be close. We share a special friendship and thats very precious to me. Stay sweet and don't forget me.

Love Always,
Rhonda.

P.S. Don't forget to give me your address!!!

Reserved for Francine THANK YOU

To a really terrific guy that I love very much. Between all the Good & Bad times we had together I hope none of them split us up again. Even if we have to brake up before you go to [redacted] Houston it may hurt. But like you said if it's really love it will last. But I just hope that we never have to use that threat again Cause I want us to find were we stand and stay with it. Look I Love you. Sorry if the handwriting isn't very good cause I just can't seem right now. Will Even if my life has been screwed up to pieces dam still alive. But since you have come along it's been really great, your such a great guy. Especially when were together at a party. I hope we always stay together. This mit not be very long But at least I want to say what I want you to know. (Not everything!! Will dll sign off. Good Luck!!!!!

Love ya lots,
